Here are the topics to be covered

- Pesticide Applicator Safety  
Annual Pesticide training is required for any employee that uses herbicides (Round-Up), insecticides (Ant Spray), pool chemicals (Chlorine), or any other material that is used to kill “pests” of any kind.
- Heat Illness Prevention  
Annual Heat Illness training is required for any employees who may work outside
- Integrated Pest Management – DPR 102 will also be covered and will satisfy your requirement for 2019
