

UTILITY CART OPERATOR CERTIFICATION

Attention -- All school district employees who drive golf carts.

Certification in the proper operation of electric or gas-powered golf carts or utility carts (often called “carryall” or “Gator”) is required every 3 years! The information and instructions will enable operators of utility carts to avoid situations that may compromise their safety or the safety of those in the vicinity of the vehicle, and avoid damaging the vehicle.

September 19, 2019

11:00 am
