All employees performing maintenance, custodial, and grounds/gardener duties are should attend these important, annually required training sessions.

Here are the topics to be covered

- Pesticide Applicator Safety - Annual Pesticide training is required for any employee that uses herbicides (Round-Up), insecticides (Ant Spray), pool chemicals (Chlorine), or any other material that is used to kill "pests" of any kind.
- Heat Illness Prevention - Annual training is required for any employees who may work outside
- Integrated Pest Management – DPR 102 (Practical Pest Management) will also be covered

You must register prior to attending

Space is limited – Sign-up now!
